### 150 Dead as Result of 'Quake.

At least 150 persons are dead as a result of the earthquake which tossed its way from coast to coast in Mexico. Slowly the Government is receiving its reports from points in a rectangular area whose northern boundary is less than fifty miles from the capital and whose southern line cuts across the lower point of the State of Guerrero.

Contrary to precedent, the number of casualties in the State of Guerrero are few, but in Mexico City the list has lengthened somewhat and from the State of Jalisco many have been added to the death list.

From scores of villages where fatalities are known to have occurred reports have not been received, and the exact number of dead probably never will be known. The list of dead in Mexico City is placed at sixty-three.

In the State of Jalisco the greatest death loss appears to have been in Ocotlan, where fifty-nine bodies have already been recovered.

Tonalá, a small town in the same State, is reported as almost wiped out. A number of lives were lost.

Not many persons were killed in the city of Colima, but a considerable amount of damage was done. The cathedral is so badly damaged that a very slight shock might cause its collapse, and the tower of another church was toppled onto the roof. The volcano at Colima has displayed considerable activity but the chief meteorological observatory at the capital is authority for the statement that this had nothing to do with the earthquake.

### Canada's Mixed Races.

The Bible is already sold in Canada in 90 different tongues, but 17 other races are now asking that editions be printed in their languages. The British Foreign Bible society has published the Scriptures in 424 different tongues, but it seems 17 more must be made to meet the needs of Canada's heterogeneous population.

### A Loan in Fancy.

"You won't run any risk in lending me a thousand francs. I am writing a novel that is sure to go. You know what an imagination I have." "Well, you'd better imagine that I have lent you the money, then."

### Time to Die.

"When is the best time to die?" gravely asks a contemporary. "Just before you try to introduce an old friend to an acquaintance and can't remember his name."

### Flower Keeps Its Freshness.

A common South African flower possesses the valuable property of keeping fresh for two months or more after cutting. It is a white star of Bethlehem, producing a compact spike of flowers on a stiff, erect stalk 18 inches or two feet long. The flowers are of a thin and papery tissue, all white except the yellow anthers. It can be sent over as a cut flower from South Africa to England, and then lasts for weeks in water.

### Not to Be Judged by Size.

An interesting and somewhat curious fact is that some of the tall men of genius have had moderate sized heads. Shelley, the poet, was tall, but had a small head, and some of the small men imbued with the divine spark had large heads, apparently proving that the size of the head has little to do with the quality of the brains.

## Women's Secrets

There is one man in the United States who has perhaps heard more women's secrets than any other man or woman in the country. These secrets are not secrets of guilt or shame, but the secrets of suffering, and they have been confided to Dr. R. V. Pierce in the hope and expectation of advice and help. That few of these women have been disappointed in their expectations is proved by the fact that ninety-eight per cent. of all women treated by Dr. Pierce have been absolutely and altogether cured. Such a record would be remarkable if the cases treated were numbered by hundreds only. But when that record applies to the treatment of more than half-a-million women, in a practice of over 40 years, it is phenomenal, and entitles Dr. Pierce to the gratitude accorded him by women, as the first of specialists in the treatment of women's diseases.

Every sick woman may consult Dr. Pierce by letter, absolutely without charge. All replies are mailed, sealed in perfectly plain envelopes, without any printing or advertising whatever, upon them. Write without fear as with-out fee, to World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.
